Exploring Creation with Astronomy Jeannie K. Fulbright, 2004 This wonderful book uses the classical and Charlotte Mason methodology to give elementary school students an introduction to our solar system and the universe that contains it. Narration and notebooking are used to encourage critical thinking, logical ordering, retention, and record keeping. Each

lesson in the book is organized with a narrative, some notebook work, an activity, and a project. The activities and projects use easy-to-find household items and truly make the lessons come alive! They include making a solar eclipse, making craters like those found on Mercury, simulating the use of radar to determine hidden landscape, keeping track of the phases of the moon, making a telescope, making fog, and making an astrometer to measure the brightness of a star. Although designed to be read by the parent to elementary students of various grade levels, it is possible for students with a 4th-grade reading level to read this book on their own. Grades K-6.

Mrs. Oswald Chambers Michelle Ule,2017-10-17 Among Christian devotional works, *My Utmost for His Highest* stands head and shoulders above the rest, with more than 13 million copies sold. But most readers have no idea that Oswald Chambers's most famous work was not published until ten years after his death. The remarkable person behind its compilation and publication was his wife, Biddy. And her story of living her utmost for God's highest is one without parallel. Bestselling novelist Michelle Ule brings Biddy's story to life as she traces her upbringing in Victorian England to her experiences in a WWI YMCA camp in Egypt. Readers will marvel at this young woman's strength as she returns to post-war Britain a destitute widow with a toddler in tow. Refusing personal payment, Biddy proceeds to publish not just *My Utmost for His Highest*, but also 29 other books with her husband's name on the covers. All the while she raises a child alone, provides hospitality to a never-ending stream of visitors and missionaries, and nearly loses everything in the London Blitz during WWII. The inspiring story of a devoted woman ahead of her times will quickly become a favorite of those who love true stories of overcoming incredible odds, making a life out of nothing, and serving God's kingdom.

Ready Player One Ernest Cline, 2011-08-18 *THE BOOK BEHIND THE MAJOR MOTION PICTURE DIRECTED BY STEVEN SPIELBERG* 'Wildly original and stuffed with irresistible nostalgia, Ready Player One is a spectacularly genre-busting, ambitious, and charming debut' Independent 'Part intergalactic scavenger hunt, part romance, and all heart' CNN 'Ernest Cline's novel deserves to be a modern classic' SciFiNow 'Gorgeously geeky, superbly entertaining, this really is a spectacularly successful debut' Daily Mail _____ A world at stake. A quest for the ultimate prize. Are you ready? It's the year 2044, and the real world has become an ugly place. We're out of oil. We've wrecked the climate. Famine, poverty, and disease are widespread. Like most of humanity, Wade Watts escapes this depressing reality by spending his waking hours jacked into the OASIS, a sprawling virtual utopia where you can be anything you want to be, where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade is obsessed by the ultimate lottery ticket that lies concealed within this alternate reality: OASIS founder James Halliday, who dies with no heir, has promised that control of the OASIS - and his massive fortune - will go to the person who can solve the riddles he has left scattered throughout his creation. For years, millions have struggled fruitlessly to attain this prize, knowing only that the riddles are based in the culture of the late twentieth century. And then Wade stumbles onto the key to the first puzzle. Suddenly, he finds himself pitted against thousands of competitors in a desperate race to claim the ultimate prize, a chase that soon takes on terrifying real-world dimensions - and that will leave both Wade and his world profoundly changed. _____ Readers can't get enough of Ready Player One . . . ***** 'THAT WAS SO TOTALLY AWESOME, WOW!' ***** 'This is an exciting story, especially for geeks, and the key word is FUN.' ***** 'Ladies and gentlemen, from this day this book is my life and I will obsess over it constantly.' ***** 'I just kinda wanna cry right now. I'll have a proper review at some point, but I gotta let myself recover.' ***** 'I had the feeling while reading this book that it was written expressly for me. This is my childhood captured.'

Acts and Letters of the Apostles, 1982 The Acts of the Apostles, which Richmond Lattimore calls the earliest consecutive story of early Christianity that we have, and the three groups of Letters of the Apostles - those of Saint Paul, the letters to the Hebrews, and the General Letters - are now made available to complete the New Testament in his translation. His aim has been to provide a simple, literal rendering in which the syntax and order of the Greek dictate the character of the English style.--Jacket.

Dreamers of the Day Mary Doria Russell, 2009 Mary Doria Russell's fourth novel, 'Dreamers of the Day', takes us behind the scenes at the 1921 Cairo Peace Conference when Winston Churchill, Lady Gertrude Bell and T.E. Lawrence himself invented the modern Middle East.

The Book of Revelation Made Clear Tim LaHaye, Timothy Parker, 2014-07-15 The Bible's final book, Revelation, can seem intimidating or downright impossible to comprehend, but this guided tour by Bible scholar Tim LaHaye and renowned puzzle master Timothy E. Parker makes it easily understandable. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. Cleverly designed for maximum learning and retention, this book covers every verse of Revelation step by step and, for each grouping of verses, includes a short three-question pre-quiz; the passage of scripture being addressed; a precise explanation of what the scripture means; and, finally, the same three questions repeated with the answers provided. By following this method, you will be amazed at how well you retain the teachings. Absorb this book and discover afresh?or for the first time?the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

With Us in the Wilderness - Bible Study Book Lauren Chandler, 2021-02 The Book of Numbers is a story of identity, wilderness, and God. Numbers continues the historical narrative begun in Exodus, the story of God's people newly freed from Egypt's shackles and wandering toward the promised land. While Numbers accounts for the next 39 years of their wilderness wandering, it's also a story of God's presence among His beloved. Even when they rebelled--and this book tells of many rebellions--God's love and promises remained. It's in that love and those promises the children of Israel found their identity and where we must find ours today. (7 sessions) Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 7 weeks of group sessions Interactive teaching videos, approximately 15 minutes per session, for purchase or rent Benefits: Leverage Old Testament truths for your life today. Recognize God's faithfulness in keeping His promises. Discover your identity as His beloved even in seasons of wilderness wandering.

James Greg Gilbert,2013-04-30 The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.
